

JLV ENTERPRISE SOLUTIONS LLC

VETERAN-OWNED BUSINESS SOLUTION

COMPANY OVERVIEW

JLV Enterprise Solutions, LLC is a veteran-owned business specializing in government contracting, real estate investment, and strategic business solutions. Led by Jephthe Jean-Louis, a retired U.S. Army veteran, and Carline Verrier, an experienced business professional with an MBA, our company is dedicated to delivering innovative solutions that meet the needs of government agencies and private sector clients. We leverage our unique combination of military discipline, business acumen, and industry expertise to provide reliable and efficient services.

CORE COMPETENCIES

● Government Contracting:

Comprehensive services designed to support government operations, including:

- **Administrative Support:** Efficient management of administrative tasks to streamline operations and improve productivity.
- **Construction Cleanup:** Thorough cleanup services for government construction projects, ensuring compliance with safety and regulatory standards.
- **Document Shredding and Scanning:** Secure document management solutions tailored for government agencies, including shredding and scanning services that comply with federal regulations.
- **Event Planning:** Expertise in organizing and coordinating government and military events, from logistics to execution.
- **Promotional Materials:** Providing high-quality branded items and promotional materials for government events and agencies.

● Real Estate Investment:

- Strategic acquisition, development, and management of properties to provide sustainable housing solutions and investment opportunities.

● Government Surplus Management:

- Expertise in acquiring and reselling government surplus items, optimizing value for government agencies and private clients.

DIFFERENTIATORS

- **Veteran-Owned Business:** Our veteran status provides us with unique insights and a disciplined approach, ensuring we meet and exceed government standards and expectations.
- **Experienced Leadership:** With a combined background in military operations and business management, our leadership team has the skills and experience to handle complex projects and deliver outstanding results.
- **Proven Track Record:** Our team's experience in both the public and private sectors enables us to provide comprehensive, tailored solutions that drive success and create value for our clients
